WINDSOR JAMBS

Civilian Conservation Corps

A work relief program established by Franklin D. Roosevelt that lasted from 1933 to 1942.

- Offered millions of jobs to young, unemployed men during the Great Depression
- Developed state and national parks
- Trails and shelters were constructed
- 3 million trees planted

Comfort Station & Contact Station

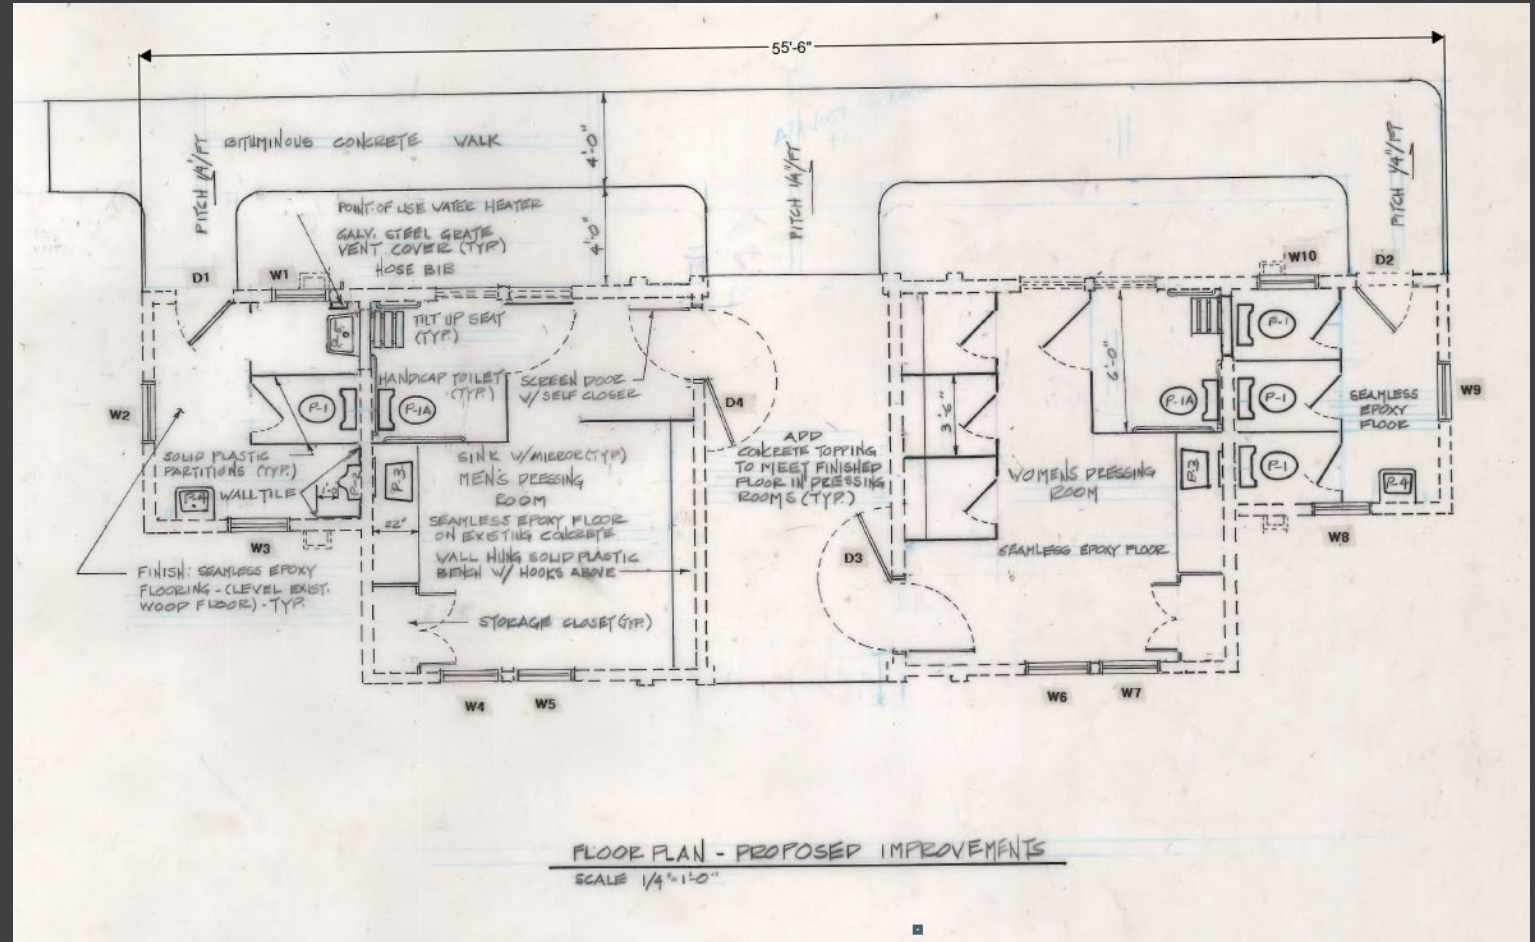

Comfort Station was constructed in 1934-37

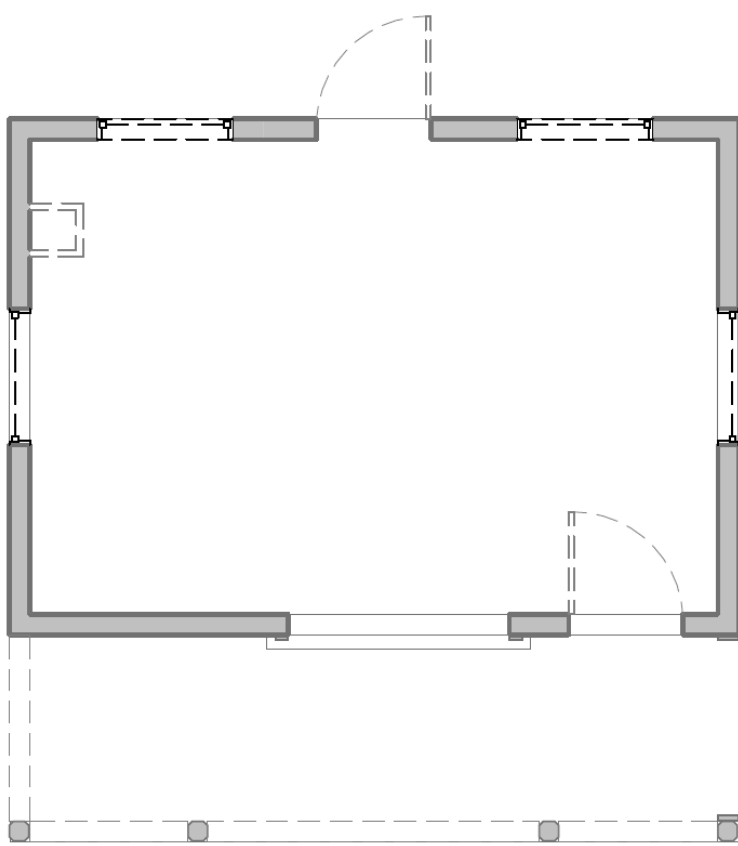

Features rough sawn lumber cladding

Contact Station built in the early 1990s

Project Scope includes...

- Replacement of windows & doors
- Demolition of existing bathroom partitions
- Add shower in both bathrooms
- Install an ADA-compliant stall in both bathrooms
- Install dishwashing station in central hallway

Project Scope includes...

- Replacement of windows & doors
- Reconfiguring service window to be ADA-compliant
- Remove half walls, as they are not historic
- Remove plywood ceiling
