

Classroom Funding for Springfield Public School Teachers

Do you have activities you would like to do with your students but don't have the funding for supplies?
Dietz & Company Architects wants to help!

We are donating \$25,000 to Springfield Public School teachers to use for their projects!

HOW IT WORKS

1. Set up your project on DonorsChoose.org/Springfield from August 1 through September 25, 2015. (\$1000 max. project cost)
2. Dietz & Company Architects will review all projects and select winners to fund in their entirety.
3. Join us October 15th at the Classical High Atrium for hors d'oeuvres & drinks and find out if your project was funded!
